The Ark of the Covenant: Take-Home Sheet

What we learned in Sunday school today · Exodus 25:10–22

Name: _____ **Date:** _____

Today's story: God told Moses to make the ark: a wooden chest covered with pure gold, with four gold rings and two poles to carry it. The testimony, two tables of stone, went inside. On top was the mercy seat of gold, with two gold cherubims. God said, "there I will meet with thee."

God wants to meet with His people, so I do things His way.

Talk about it at home

1. What was the ark covered with? (Read Exodus 25:11.)
2. What did God say He would do above the mercy seat? (Read Exodus 25:22.)
3. When can our family meet with God together this week?

Draw it: the ark with its gold lid, four rings and two long poles, colored gold.

Learn it together (thee = you, commune = talk together):

"And there I will meet with thee, and I will commune with thee from above the mercy seat, from between the two cherubims which are upon the ark of the testimony, of all things which I will give thee in commandment unto the children of Israel."

Exodus 25:22 (KJV)
