

Creation: Take-Home Sheet

What we learned in Sunday school today · Genesis 1:1–2:3

Name: _____ Date: _____

Today's story: In the beginning God made the heaven and the earth. He spoke, and there was light. He made the sky, the seas, the dry land and the plants. He made the sun, the moon and the stars, then the fish, the birds and the animals. On day six God made people in His own image, and He saw that everything was very good. On day seven God rested.

**God made everything, and everything He made is good,
including me.**

Talk about it at home

1. What did God make on the first day? (Read Genesis 1:3.)
2. What is your favorite thing God made? Why?
3. God made every person in His image (Genesis 1:27). How can we treat others kindly this week?

Draw it: In the box, draw your favorite thing God made. Write the number of the day God made it in the corner.

Learn the memory verse together (created = made something new, the heaven = the sky and everything above us):

"In the beginning God created the heaven and the earth."

Genesis 1:1 (KJV)
