For the teacher

Time: about 10 minutes · **Ages:** 4–6 (preschool and kindergarten)

- **Read it out loud:** read each sentence and both choices, then let kids circle the answer. Kids who can't write yet can point while you circle.
- **Tracing:** kids trace the gray letters with a pencil or crayon, then copy the words on the line. Younger kids can just trace.
- **Talk about it:** Jacob woke up and said, "Surely the LORD is in this place; and I knew it not" (Genesis 28:16). Ask: *Is God with you at home, at school and at church?*
