The Walls of Jericho: Take-Home Sheet

What we learned in Sunday school today · Joshua 6

Name: _____ **Date:** _____

Today's story: God gave Joshua a plan for the city of Jericho. Seven priests blew trumpets of rams' horns before the ark, and God's people went around the city once a day for six days without a word. On the seventh day they went around seven times. Then the people gave a great shout, and the wall fell down flat! God saved Rahab and her family, because she hid the spies.

We obey God, and God keeps His word.

Talk about it at home

1. How many times did they go around the city on the seventh day? (Read Joshua 6:15.)
2. What happened when the people shouted? (Read Joshua 6:20.)
3. What did God tell Joshua to be? (Read Joshua 1:9.)

Draw it: the wall of Jericho falling down flat, and Rahab's window with a red cord.

Learn the memory verse together (of a good courage = brave, dismayed = afraid and ready to give up, whithersoever thou goest = wherever you go):

"Have not I commanded thee? Be strong and of a good courage; be not afraid, neither be thou dismayed: for the LORD thy God is with thee whithersoever thou goest."

Joshua 1:9 (KJV)
