Solomon Builds the Temple: Take-Home Sheet

What we learned in Sunday school today · 1 Kings 6; 8:1–11

Name: _____ **Date:** _____

Today's story: King Solomon built a house for the LORD. The stones were made ready before they were brought, so no hammer or axe was heard while it was built. Inside, the walls were cedar wood covered with pure gold. It took seven years! God promised to dwell among His people if Solomon walked in His ways. When the priests brought in the ark of the covenant, a cloud filled the house: the glory of the LORD.

God wants to dwell with His people, so I give Him my best.

Talk about it at home

1. What was not heard while God's house was built? (Read 1 Kings 6:7.)
2. What filled the house of the LORD? (Read 1 Kings 8:10–11.)
3. What is one thing our family can do our best in for God this week?

Draw it: the house of the LORD with its porch in front, colored gold.

Learn it together (dwell = live, forsake = leave alone):

"And I will dwell among the children of Israel, and will not forsake my people Israel."

1 Kings 6:13 (KJV)
