Elisha and the Shunammite Woman: Take-Home Sheet

What we learned in Sunday school today · 2 Kings 4:8–37

Name: _____ **Date:** _____

Today's story: A woman in Shunem made a little room for Elisha, the man of God, with a bed, a table, a stool and a candlestick. God gave her a son. One day the boy got sick and died. His mother laid him on Elisha's bed and rode to Elisha. When she was asked, "Is it well?" she said, "It is well." Elisha shut the door and prayed to the LORD, and the boy sneezed seven times and opened his eyes!

When things are hard, I can trust God and run to Him in prayer.

Talk about it at home

1. What four things were in the little room? (Read 2 Kings 4:10.)
2. What did the mother say when she was asked, "Is it well?" (Read 2 Kings 4:26.)
3. What hard thing can our family pray about together this week?

Draw it: the little room, with its bed, table, stool and candlestick.

Learn the memory verse together (I pray thee = please, is it well = is everything all right):

"Run now, I pray thee, to meet her, and say unto her, Is it well with thee? is it well with thy husband? is it well with the child? And she answered, It is well."

2 Kings 4:26 (KJV)
