Preschool–Grade 6

Tower of Babel: Take-Home Sheet

What we learned in Sunday school today · Genesis 11:1–9

Name: _____ **Date:** _____

Today's story: Long ago, the whole earth spoke one language. People found a plain in the land of Shinar and made bricks. They said, "Let us build us a city and a tower, whose top may reach unto heaven; and let us make us a name." But the LORD came down to see the city and the tower. He confounded (mixed up) their language so they could not understand each other, and He scattered them over all the earth. They stopped building the city, and the place was called Babel.

God is greater than anything I can build. I will honor His name, not show off my own.

Talk about it at home

1. What did the people want to make for themselves? (Read Genesis 11:4.)
2. What did God do to their language? (Read Genesis 11:7–8.)
3. When are we tempted to show off? How can we give God the credit this week?

Draw it: a tall tower made of bricks, with a city of small houses beside it.

Learn it together (goeth before = comes before, haughty = proud):

"Pride goeth before destruction, and an haughty spirit before a fall."

Proverbs 16:18 (KJV)
